

# QUALITY MANAGEMENT SYSTEM MANUAL

AS 9100 REV D &  
ISO 9001:2015

ANNEXURE-C

REV DATE: 01.07.2025, REV NO: 00

## Quality Policy

*At Zecha Precision Tools Limited, we are dedicated to being a global leader in precision-engineered cutting tools for critical materials and parts machining industries, with high-performance and reliability round tools. Our commitment to excellence is unwavering, ensuring that every product exceeds the highest standards of quality, reliability, and performance.*

*We achieve this by:*

- **Delivering Superior Products** – Leveraging advanced manufacturing technologies, state of the art measuring equipment, skilled personnel, and rigorous quality control to ensure consistency and precision.
- **Exceeding Compliance** – Adhering to **AS9100D**, statutory, and regulatory requirements while continuously improving our processes.
- **Fostering a Culture of Excellence** – Empowering our team to innovate, prioritize safety, and uphold quality at every stage of production.
- **Driving Continual Improvement** – Setting measurable quality objectives, monitoring performance, and optimizing our **Quality Management System (QMS)**.
- **Ensuring Customer Success** – Building long-term partnerships by understanding customer needs and delivering solutions that enhance their operational efficiency.

*Precision. Performance. Perfection. These principles define who we are and how we deliver world-class round tool solutions trusted by industry leaders.*
